PROFESSIONAL SUMMARY

Law graduate (LL.B., Helwan University, 2025) seeking a Junior Legal Advisor position in a corporate environment. Brings two years of commercial experience in B2B sales, invoicing, account follow-up and inventory tracking, along with hands-on use of the Edara ERP system. Combines legal knowledge with strong negotiation, client communication and problem-solving skills, and a growing technical foundation in front-end development (HTML, CSS, JavaScript). Committed to supporting contract review, legal documentation and compliance with accurate, well-organized work.

PROFESSIONAL EXPERIENCE

Sales & Operations Support Representative 2 years

General Company (Importer of Mobile Phone Spare Parts), Cairo, Egypt

- Managed B2B sales of mobile spare parts to individual retailers, building and maintaining long-term client relationships through negotiation and direct communication.
- Prepared and issued customer invoices, maintaining accurate billing records using the Edara ERP system.
- Monitored customer accounts and outstanding balances to keep financial records up to date.
- Tracked warehouse inventory levels and coordinated between sales and warehouse teams to support smooth order fulfillment.
- Handled commercial documentation (invoices and account statements) with accuracy and attention to detail.

Customer Service Trainee 2-week program

Vodafone Egypt, Cairo, Egypt

- Completed an intensive customer service training program covering inquiry handling, complaint resolution and professional communication.
